ARTICLE III

1. The parties hereto agree on the use of the following grievance
2. procedure.

GRIEVANCE PROCEDURE

3. A. Definitions

4. 1. A "grievance" is a claim by a teacher or the Association
5. based upon the interpretation, application, or violation
6. of this agreement, policies or administrative decisions
7. affecting a teacher or a group of teachers.
8. 2. An "aggrieved person" is the person or persons making the
9. claim.
10. 3. A "party in interest" is the person or persons making the

12. Board, who might be required to take action or against
13. whom action might be taken in order to resolve the claim.

14. B. Purpose

15. The purpose of this procedure is to assure, at the lowest
16. possible level, equitable solutions to the problems, which may
17. from time to time arise affecting teachers. Both parties agree
18. that these proceedings will be kept as informal and confidential
19. as may be appropriate at any level of the procedure.

20. C. Rights of Teachers to Representation

21. 1. Any aggrieved person may be represented by himself, or, at
22. his option, with a representative selected or approved by
23. the Association at all stages of the Grievance Procedure.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as it is practicable.

3. Level One

A teacher with a grievance shall first discuss it with his principal or immediate superior, either directly or with the Association's designated representative, with the objective of resolving the matter informally.

4. Level Two

Ten (10) school days after presentation of the grievance, if the aggrieved person is not satisfied with the disposition of his grievance at level one, or if no decision has been rendered, he may file the grievance in writing with the Chairperson of the Association's Grievance Committee. Within five (5) school days after receiving the written grievance, the Chairperson of the Committee shall refer it to the Administrative Principal.

5. Level Three

Within five (5) school days of the presentation of the written grievance to the Administrative Principal, the grievance and an administrative decision concerning the grievance shall be registered in writing with the Chairperson of the Teacher's Committee of the Board of Education. The Teacher's Committee of the Board must discuss the issue with the aggrieved party and shall render a decision within fifteen (15) school days after receiving the written grievance.

6. Level Four

The grievance shall be registered in writing within five (5) days of the date of the Teacher's Committee decision concerning the grievance with the Secretary of the Board of Education. If a decision has been rendered by the full Board of Education, but it is not considered satisfactory by the aggrieved person, he/she may request in writing within five (5) school days of the decision that his/her grievance be submitted to arbitration. The Chairperson of the Association's Grievance Committee is to submit the grievance to arbitration within fifteen (15) school days after receipt of the request from the aggrieved person.
- B. Within ten (10) school days after such written notice of submission to arbitration, the Board of Education and the Association's Grievance Committee shall attempt to agree upon a mutually acceptable arbitrator, and shall obtain a commitment within the specified period. A request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and the procedures of the American Arbitration Association in the selection of an arbitrator.
- C. The arbitrator so selected shall confer with the representatives of the Board of Education and the Association's Grievance Committee and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings, or if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the agreement. The decision of the arbitrator shall be submitted to the Board of Education and the Association and shall be binding on both parties.
- D. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board of Education and the Association.
